

**INSIDE ARE THE SECRETS
TO A SUCCESSFUL
FUN SERVICES' *FUN FAIR*
FUND RAISER!!**

HERE'S HOW THE *FUN FAIR* PROGRAM WORKS

TM

Fun Services Provides

- Over 30 years of experience
- 75 games to choose from
- All the necessary games booths
- A large assortment of prizes

Your Organization Provides

- A location (indoors or outside)
- A Date
- Volunteers to run your games

WHO KEEPS THE PROFITS?

You do! It is your fund raising event. What you pay for is the actual number of prizes given out (minimums & delivery may apply) and a small game/booth rental fee. Fun Services takes back all the prizes not used. You take no risks, only the profits.

**THERE ARE NO ADVANCES, NO INVESTMENT,
AND ABSOLUTELY NO HIDDEN CHARGES!!**

FUN SERVICES' "FUN FAIR" CARNIVALS...

We have the right program to fit your needs!

The FULL SERVICE "Fun Fair" Carnival:

Everything you need for a great "FUN FAIR" Carnival **delivered** to your school:

Booths, games, prizes, tickets, game signs, and a Fun Services Representative to stay at your event!

Games are "programmed" for your group to make up to **50% PROFIT!**

We arrive two hours before the start of your event to help with set-up, the Fun Services Representative stays at your event, and we help with take-down when your event is over!

All prizes are on consignment after a \$750.00 minimum prize billing is reached. Total Redemption OR Regular Consolation prize programs are available!

Discounted rental charge for booth/game combo! (Regular price: \$55.00 per booth/game combo. Discounted price: \$25.00 per booth /game combo)

"School Specials" **discounts** on select concessions, jumps and helium!

If your organization completes another program (Santa's Secret Shop/Holiday Gift Shop and/or an All-School Fundraiser) with us, then the \$25.00 per game/booth rental charge is **waived** (that means it's **FREE!**).

The FULL SERVICE "Wristband" Carnival:

Looking for an easy way to have a carnival? Fun Services now offers a **one price** wristband carnival. Here's how it works:

Fun Services provides the wristbands for you to sell. The organization's cost is \$7.00 per wristband sold, with a 200 minimum purchase. The suggested sell price for each wristband is \$10.00. Here's what you get:

8-15 Midway Games (based on enrollment) with an 8' red/white carnival booth front. A wristband allows participants **UNLIMITED PLAY AND PRIZES**. There is a three hour maximum time for the event. If you need more time, the minimum number of wristbands sold is increased by 100 for each additional hour.

One Inflatable jump staffed by Fun Services. The kids get unlimited turns jumping during the carnival. Want an extra jump? They are available for an additional 100 wristbands added to the minimum. This includes Slides, Obstacle Courses, etc.

Prizes are included. The popular Total Redemption program is available.

Need a concession? Popcorn, Cotton Candy and Snow-Cones are available at a cost of an additional 50¢ per wristband, per concession. This includes the machine rental and the cost of the supplies. **By the way, the servings are unlimited too!**

At the end of the carnival, the organization and the Fun Services representative calculates how many wristbands were sold, add the regular delivery charge, to figure your total due.

Here are the advantages of the wristband carnival to the organization:

No ticket sales. One price point for the parents. No more having the kids come up during the event asking for more money for more tickets!

Unlimited Play. The kids get to play the games and jump as much as they want during the event. They are not restricted by how many tickets they have.

No Inventory. At the end of the carnival, your volunteers and the Fun Services' Representative pack up the prizes, games, booths and inflatable into the truck, the organization pays the invoice and you're done!

No Game/Booth rental fees. With the Wristband Carnival, organizations do not pay the \$25.00 per game/booth rental fee.

Rental items such Dunk Tanks, Electronic Basketball, etc. are available at the regular rental rates.

The organization provides volunteers to assist with set-up and takedown, running the game, concessions and the prize Redemption Center operations. This is the same as our traditional carnival program.

The "PRE-PACKAGED" Carnival:

Everything is "pre-packed" for your carnival, ready to be either delivered or picked up at our warehouse! This package includes games, booths, and prizes! You will receive a game, a colorful booth, and \$75.00 in prizes for each game rented!

Regular cost for this package is \$135.00 per game... Your **SPECIAL** price is **ONLY \$100.00** per game! There is a 5 game minimum for this package.

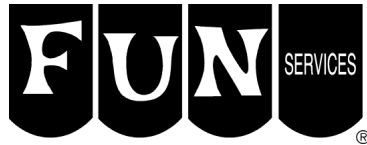

Both programs include Fun Services programming and packing of quality prizes. We have over 25 years of Fun Fair experience to meet your needs!

RENTAL ONLY Option Available:

\$30.00 per Midway game (except Spin Art).

\$25.00 per 8' Hinged booth.

Prizes available for purchase in our Party Store.

“Full Service” Fun Fair Responsibilities

The following is a list of responsibilities for both parties; Fun Services and your organization.

FUN SERVICES:

- We supply the carnival game booths. These booths are 8ft. wide by 4ft. deep and acts as a partition between game and player and lend a carnival atmosphere to the events appearance. Booths are typically pulled 10 feet from the wall.
- We supply the games and supplies necessary for their play.
- We provide all prizes on complete consignment. A minimum prize billing of \$750.00 on full service carnivals is required.
- We supervise set-up of the event along with **3-4 adult helpers** from your organization. Our arrival will be approximately 2 hours before the start of the event.
- We provide game instructions and inventory sheets for each booth worker.
- We supply tickets. The price is \$2.50 for a roll of 2000.
- We provide game signs.
- We supervise and help with the take down of the games and booths along with **3-4 adult helpers** immediately at end of event.

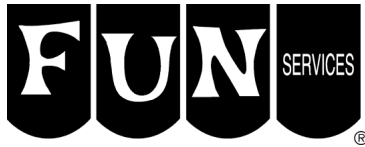

YOUR ORGANIZATION:

- You choose the games and set prices on each game. Additional charges of \$30.00 per game may apply if choosing over the recommended number of games for your enrollment.

200-399 students:	8-10 games
400-499 students:	10-12 games
500+ students:	12-15 games

- You supply **3-4 adult helpers** for set up and take down.
- You coordinate all **adult** booth workers.
- You supply 1 table for each game.
- You supply 1 ticket can, box, or bag for each game.
- You supply 1 pencil for each game, concession and redemption booth.
- You pay for prizes and delivery at end of the event.

No deposits are required. You make the profit!

PRIZE PROGRAMS

REGULAR CONSOLATION:

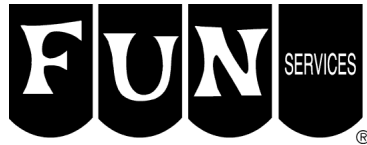

- All 1st, 2nd, 3rd and consolation prizes will be displayed and won at the game booth.

TOTAL REDEMPTION: (most popular)

- 1st through consolation prizes will be awarded on a token system. No prizes will be displayed at the game booth (except for a few selected games).
- A certain numbered tokens will be awarded instead of an actual prize.
Example: 20, 10, 5, 2, & 1.
- The prize categories range from 1 to 300 points in which you purchase these prizes with tokens.
- 4-5 workers are needed to set-up, run and inventory the redemption table. It is suggested that one person be in charge of the redemption center.

All carnival booths are set-up and operated on both options.

Both options are programmed to maintain the same degree of profit.

GAME CHAIRPERSON INSTRUCTIONS

1. First shift of workers should arrive 20-30 minutes before the carnival opens. They should display prizes in the booth (if applicable) and make sure they understand how their game is played.
2. During operation of the event, check to see that:
 - a. No children are in the booths.
 - b. Booths are not pushed back or games moved forward.
 - c. The games are being played according to instructions.
 - d. Booth workers are:
 - i. Tearing tickets in half.
 - ii. Not giving out prizes unless fairly won.
 - iii. Not taking prizes for their own use.
3. New workers often make mistakes. Check to see that they:
 - a. Understand their game. The old shift of workers should stay 15 minutes to explain the game.
 - b. Know where the prizes are. Frequently the new worker doesn't know more prizes exist in a box in the booth.
 - c. Know what to do if they run out of prizes. Contact you or the Fun Services representative.
4. If a booth runs out of prizes:
 - a. Check to see if any prizes are left in the box.
 - b. Use all prizes at the winning level up before substituting.
 - c. You or the Fun Services rep may substitute another prize of equal or lesser value from another game.
 - d. Make sure inventory sheets are adjusted at the end of the event.
5. When closing event down:
 - a. Clear event site of children as soon as possible.
 - b. See that booth workers are completing their inventory counting and filling out the inventory sheets.
 - c. See that you have your 3-4 helpers lined up to help the Fun Services representative and any other clean up crew you need for other tasks.

Try to get the booth workers to run their booth as if it were their own business.

Watch for mistakes. The noise and activity found at an event of this kind makes it difficult to concentrate.

GAME BOOTH WORKERS

Thanks for your help in volunteering to run a booth for the carnival.

There are a few general instructions for game workers to follow:

1. Accept _____ tickets only!
2. Accept tickets only...no cash.
3. Tear tickets in half before dropping them in a container.
4. No children in the booths
5. Last Shift – please count and record the number of prizes (only when applicable) you have after your booth closes. This will take about ten minutes and is very important because it determines what we owe FUN SERVICES for prizes.
6. Please remember that an “almost win” is not a “win.” Our profit depends on how many prizes we give away. Our cost to FUN SERVICES is the purchase of the prizes they furnish for the game.

If you have any problems during your shift, please see: _____

HAVE FUN!! And thanks again for your help!
